MidPen Housing, in close collaboration with the County of San Mateo, is proposing to revitalize Midway Village, currently the site of 150 multifamily apartments and a child care center, as well as Bayshore Park. The proposed redevelopment will provide a vibrant new mixed-income community with 150 brand new affordable homes for the existing residents as well as 405 new apartments for additional individuals and families. The project will also make improvements for a future renovation of Bayshore Park.

Please stop by our Open House to learn more about our proposal!
